

Annual Membership

As a Member of Preservation Massachusetts, you are supporting:

- Revitalization and economic development through preservation opportunities of historic buildings and landscapes, and the retention of community character across the Commonwealth
- Growing and expanding the preservation community and local advocate networks through our educational programming, trainings, resources and direct mentorship
- Activating existing buildings and places while retaining important connections to the past and creating opportunities for community discussion, growth and sustainability for the future.

Visit our website, www.preservationmass.org/individual-membership to view membership benefits
